*DAY 1 of the event will feature simultaneous interpretation into Polish.

17:00 – 19:00 B2B NETWORKING SESSION

So how does it work?

At a selected point before the event, you will be sent a special form, allowing you to choose the perfect business partner from among the other delegates. You'll just type in your name and express the willingness to meet – the system will take care of everything else. Once at the event, we will provide you with a suitable meeting space and enough time to sit down and talk shop. Sounds like business matchmaking? Well, that's exactly what it is!
